AGREEMENT AND RELEASE OF LIABILITY

The health and nutritional information you receive from Debbie Belshaw of Sycamore Chiropractic and Nutrition, whether given by phone, in person at your home, in the Sycamore Chiropractic and Nutrition office, through lectures, workshops, brochures, emails, or newsletters is not intended to diagnose, prescribe, treat, cure, alleviate, prevent or care for any disease in any way. It consists of combined information from many educational sources and points of view to help you make informed decisions regarding your desired level of health. The sources behind this information include: modern medicine, ancient Chinese medicine, naturopathic medicine and the therapist's personal research, study, and life observation as well as patient results and experiences. Anyone deciding to act upon any information mentioned during a consultation shall assume full responsibility for any effects of their actions. There are risks and unforeseen results associated with any change of diet and lifestyle. It is not recommended that you apply these changes unless you are willing to assume full responsibility for the risks you choose to take. If you choose to implement dietary and lifestyle changes without consulting your physician, which is your constitutional right, you are, in effect, prescribing for yourself. When in doubt of the appropriateness of any treatment, whether recommended to you by a clinician or by your own intuition, please consult a physician. Consultation information should not be used as a substitute for a physician's advice. It is our hope that you do choose a physician who realizes the importance of a healthy diet and lifestyle choices in correcting imbalances in the body and who has experience in treating immune disorders and other health imbalances. Please be aware that you have the right to make your own health decisions based on any information made available to you. YOU are the driving force in guiding yourself on a path to health!

ACKNOWLEDGEMENT

I accept the terms and conditions of this disclaimer. I acknowledge that any and all information given to me by Debbie Belshaw of Sycamore Chiropractic and Nutrition is to be used for educational purposes only. I also acknowledge that neither Sycamore Chiropractic and Nutrition or Debra Belshaw claim to be medical doctors and will not prescribe for or diagnose, treat, prevent, alleviate or cure any disease or condition.

If I experience any changes in my health or current medications, I will immediately communicate this information to Sycamore Chiropractic and Nutrition. I further acknowledge that I am fully responsible for any decisions and/or changes I make regarding my health and I will not hold Sycamore Chiropractic and Nutrition or Debra Belshaw liable for my own decisions, any results of my decisions or of any natural treatment or advice I may receive.

I understand that Muscle Response Testing is a safe, non-invasive, natural method of analyzing the body's physical and nutritional needs, and that deficiencies or imbalances in these areas could cause or contribute to various health problems. I understand that Muscle Response Testing is not a method for "Diagnosing" or "Treating" of any disease including conditions of cancer, AIS, infections, or other medical conditions, and that these are not being tested for or treated. No promise or guarantee has been made regarding the results of Muscle Response Testing or any natural health, nutritional or dietary programs recommended, but rather I understand that Muscle Response Testing is a means by which the body's natural reflexes can be used as an aid to determining possible nutritional imbalances, so that safe natural programs can be developed for the purpose of bringing about a more optimum state of health.

In consideration of being allowed to participate in programs, modalities, and activities of Sycamore Chiropractic and Nutrition and to use its facility in addition to the payment of any fee or charge, I do hereby waive, release and forever discharge Sycamore Chiropractic and Nutrition and its directors, officers, agents, employees, representatives, successors and assigns, administrators, executors, and all others from any and all responsibilities or liability from injuries or damages resulting from my participation in any activities or my use of equipment or machinery. I do also hereby release all of these mentioned and any others acting upon their behalf from any responsibility or liability from any injury or damage to myself, including those caused by the negligent act or omission of any of those mentioned or others acting on their behalf or in any way arising out of or connected with my participation in any activities of Sycamore Chiropractic and Nutrition.

I have read and understand the foregoing. Intending to be legally bound, I hereby release Sycamore Chiropractic and Nutrition from any liability, including for negligence, regarding my health matters and my participation in Muscle Response Testing or any other program. This release applies to all subsequent visits for programs, modalities and activities at Sycamore Chiropractic and Nutrition.
