Informed Consent to Treat

Thank you for trusting Sycamore Chiropractic and Nutrition with your health! We provide functional medicine counseling, nutritional counseling, chiropractic care, and massage therapy. Because you have chosen to engage one or more of these modalities, we ask you to sign this consent form:

I hereby request and consent to the performance of nutritional therapy and counseling, chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy (including but not limited to massage therapy, muscle stimulation, ultrasound, and stretching), and diagnostic X-rays on me and my family members (or on the patient named below for whom I am legally responsible) by Dr. David Boynton, DC, CCEP, or other licensed doctors of chiropractic who now or in the future work at the clinic or office listed below or any other office or clinic.

I have had an opportunity to discuss my health care needs and the nature and purpose of chiropractic adjustments and other procedures and counseling with Dr. Boynton, DC, CCEP and/or with other office or clinic personnel. I understand that the results are not guaranteed.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment, including but not limited to fractures, disc injuries, strokes, dislocations, and sprains. I do not expect the doctor to be able to anticipate or explain all risks and complications. I wish to rely upon the doctor to exercise judgment, based upon the facts then known to him or her, in providing treatment which the doctor feels is in my best interest.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

I agree if I am pregnant or trying to get pregnant that I will inform the doctor immediately.
